release of medical information regarding my pregnancy and its outcome, including monitoring the growth and development my baby through their first 12 months of age, to the ADDYI® Pregnancy Registry. Sprout Pharmaceuticals, Inc., the study sponsor, has contracted and is working with United BioSource (UBC) to conduct this research study.

You have the right to review you and your baby’s medical information prior to its release and you have the right to refuse to sign this authorization to prevent its release. Your health care provider(s) and UBC will ensure the information is maintained in a confidential manner. You and your baby’s health care or payment for care will not be affected by whether or not you sign this authorization, however, you will not be included in the study if you do not sign.
